Speeds reduced on ND Highway 5 near Cavalier beginning Monday, June 1 for paving work

Speeds will be reduced to 55 mph in some areas on ND Highway 5 from the east junction of ND Highway 32 to Cavalier to allow crews to perform paving work. A pilot car will escort traffic through the work zone and motorists should expect delays of up to 15 minutes.

During construction:

- Flaggers/pilot car will be in place
- Speeds will be reduced through the work zone
- A 12-foot width restriction will be in place
- Delays of up to 15 minutes are possible
- Oil may be present on the roadway

The project is expected to be complete in early June.
